

Kateřina Mácová (Kaprová)

Email address: katerina.macova@czp.cuni.cz Phone number: (+420) 220199466

Gender: Female Date of birth: 07/12/1985 Nationality: Czech

WORK EXPERIENCE

[12/2012 – Current] Researcher - Department for the Research on Environmental Behavior

Charles University, Environment Center (CUEC)

Address: Jose Martiho 2, 16200, Prague, Czechia

Main activities and responsibilities:

Research focus:

* Ecosystem services valuation using market and non-market valuation techniques (mainly demand analysis based on revealed preference methods: travel cost or hedonic price method)

* Environmental cost-benefit analysis, valuation of externalities, impacts of economic instruments and climate change adaptation strategies, policy guidance

[01/2012 – 11/2012] Researcher

Institute of Agriculture Economics and Information

Address: Mánesova 1453/75, 12056, Prague, Czechia

Main activities and responsibilities:

* Analyses of economic performance of agricultural holdings, organic farming, assessment of representativeness of Farm Accountancy Data Network sample of holdings

* Data verification

[07/2007 – 12/2011] Environmental economist - Department of environmental economy and management

Czech Environmental Information Agency

Address: Litevska 8, 10005, Prague, Czechia

Main activities and responsibilities:

* Analyses of environmental policy instruments, reports on instruments and environmental policy, expenditures on protection of environment, methodic support for analyses

* Economic consultations on RIA, IPPC, waste management

[2011 – 2014] Teaching assistant

Department of Environmental Economics, University of Economics

Address: W. Churchilla sq. 4, 13067, Prague, Czechia

Main activities and responsibilities:

Courses 5ZP200 - Introduction to Environmental Economics, 5ZP524 - Economic Valuation of Environment, 5ZP528 - Environmental Cost-Benefit Analysis

EDUCATION AND TRAINING

[2017] Course of Pedagogical Skills Development

Charles University

Address: Prague

Main subject / occupational skills covered:

Postgraduate course

[2016] Management of science and innovations

Charles University

Address: Prague

Main subject / occupational skills covered:

Postgraduate course

[2014] Belpasso Summer School on Environmental Economics: Spatial Context and Valuing Natural Capital for Conservation Planning

University of Catania, BC3, EAERE

Address: Belpasso, Italy

[2013] Stated preference methods: State-of-the-art modelling

CERE & Department of Forest Economics, SLU-Umeå

Main subject / occupational skills covered:

Postgraduate course

[09/2011 – Current] Ph. D. candidate

Environmental studies - Faculty of Humanity Sciences, Charles University in Prague

Address: Prague

National classification: Doctoral studies

Main subject / occupational skills covered:

Environmental economics, recreation demand analysis, choice modelling, meta-analysis

* **Doctoral thesis:** Revealed preferences for outdoor recreation in natural areas - Czech and European perspective

[09/2008 – 01/2011] Academic degree Engineer in economics - Ing.

University of Economics in Prague, Faculty of Economics

Address: Prague

National classification: Master studies

Main subject / occupational skills covered:

Economic theory, Environmental economics, Natural Resource Economics, Statistics, Econometrics, Management, Environmental Policy, Regional Studies

* **Major specialization:** Environmental Economics and Management

* **Minor specialization:** Regional and Urban Development

(passed with grade average among top 10 % of students in the field of study)

[09/2005 – 06/2008] Academic degree Bachelor in economics - Bc.

University of Economics in Prague, Faculty of Economics

Address: Prague

National classification: Bachelor studies

Main subject / occupational skills covered:

Economic theory, Environmental economics, Environmental Policy, Statistics, Management; major specialization: Applied Environmental Economics, Management and Politics

(passed with honours)

PROJECTS

I

- "Integrated LIFE project for the Natura 2000 network in the Czech Republic"; LIFE-IP: N2K Revisited, LIFE17 IPE/CZ00005 European Commission (2019-2026); researcher
- "Recreational purposes of Vltava river cascade and its economical potential under the climate change"; TL02000408 Technology Agency of the Czech Republic (2019-22); researcher
- "Authentication of computation of the social value of woody plants growing out of forest for the purpose of calculation of the extent of compensation measures for felling", TL01000020 Technology Agency of the Czech Republic (2018-21); coordinator & researcher
- "Optimization of management of forest restoration on sites affected by surface mining", QK1710241 Czech Ministry of Agriculture (2017-21); researcher
- "Impact assessment of air pollution deposition and climate variability on forest ecosystem services and design of adaptation measures for minimizing these risk factors", TH02030686 Technology Agency of the Czech Republic (2017-20); researcher
- "PEOPLE - People-Centered Development in Practical and Learning Environments", Erasmus+ (2016-19); researcher
- "Innovative restart of biotope valuation method", TD03000093 Technology Agency of the Czech Republic (2016-17); researcher
- "Novel policies in post-mining landscape planning: socio-economic assessment of alternative land rehabilitation options", TD03000249 Technology Agency of the Czech Republic (2016-17); researcher
- "ECONADAPT: The economics of climate change adaptation", 7th FP EC (2013-16); researcher
- "Specification of distance, time and travel cost in recreation demand models", Grant Agency of the Charles University (2014-15); main participant
- "The use of pricing mechanism for tourism directing and financing the management of specially protected areas in the Czech Republic", TD020049 Technology Agency of the Czech Republic (2014-15); researcher
- "Integrated model for assessment of health and environmental risks from opencast mining of brown coal", TD020183 Technology Agency of the Czech Republic(2014-2015); researcher
- "Integrated assessment of risks and impacts on materials, ecosystems and population health from exposure to atmospheric pollution", TA02021165 Technology Agency of the Czech Republic (2012-15); researcher
- "Global-IQ: Impacts Quantification of global changes", 7th FP EC (2011-14); researcher
- "PASHMINA: Paradigm Shifts Modelling and Innovative Approaches", 7th FP EC (2009-12); researcher

II

- „Environmental education – Multimedial environmental yearbook“, CZ.1.07./1.1.00/08.0022., Ministry for regional development of the Czech Republic (2011-12); researcher
- „Climate cost: Full costs of climate change“, 7th FP EC (2009-11); researcher
- „SIRIUS – System of Integration and Management of Information in the Field of Technical Environmental Protection and its Connection to Registers of Public Administration“ – Ministry of Environment of the Czech Republic (2010-11); researcher
- „Quantification of External Costs from Transport in the Czech Republic“ – Science and Research CG712-111-520, Ministry of Transport of the Czech Republic (2010); researcher - diploma thesis compiled within the project
- „Creating conditions for more efficient implementation of economic instruments“ - Science and Research (VaV) SP/4i1/169/08, Ministry of Environment of the Czech Republic (2009-10); researcher
- „Hedonic Pricing Method“ - Internal Grant Agency (IGA) 2007/08, University of Economics (2010); researcher

ORGANISATIONAL SKILLS

Organisational skills

Leadership and project management, good organisational skills

COMMUNICATION AND INTERPERSONAL SKILLS

Communication and interpersonal skills

Team player; Good communication & presentation skills

JOB-RELATED SKILLS

Job-related skills

Econometrics, statistics, geographical data analysis

TEACHING

Teaching

- Environmental Economics and Tourism - optional course at Department of Tourism, Faculty of International Relations, Prague University of Economics and Business (2019-)
- The Energy and Environmental Economics - optional course at CERGE-EI (2017-18)
- Welfare measurement - optional course at Institute of Economic Studies, Faculty of Social Sciences, Charles University (2013-2018)
- Economic valuation of environment- optional course at Department of Environmental Economics, Faculty of Economics, University of Economics (2011-2014)
- Environmental cost-benefit analysis - optional course at Department of Environmental Economics, Faculty of Economics, University of Economics (2011-2014)
- Basics of statistics and econometrics - external Ph. D. course at Department of Development Studies, Faculty of Science, Palacký University, Olomouc (2011)
- Introduction to Environmental Economics -compulsory course at Department of Environmental Economics, Faculty of Economics, University of Economics (2009-11)
